AGREEMENT

s2c believes that peace in the world begins with peace in ourselves and our intimate relationships. We can only heal the world if we heal ourselves, and our love relationships are the best place to start.

It is s2c's intention to inspire you to develop a positive attitude towards relationship.

s2c will provide you with resources to improve your relationship skills so you can have and sustain the healthy long-term partnership you deserve. We believe in personal growth and we believe that changing the way we think and feel about ourselves and others is the first and most important step in changing our life. s2c advisors are passionate about relationship and personal growth and are knowledgeable about resources and processes. s2c advisors will listen to your situation, needs and desires and make suggestions how to formulate and reach your relationship goals. If you wish to work with a licensed therapist, coach or counselor or plan to participate in groups, workshops or seminars, your s2c advisor will make recommendations to you. At your first meeting, s2c will make a personal agreement with you that defines our services and your goals.

If you are in an acute emotional or physical crisis, please call 911 or contact the nearest licensed physician or therapist.
